LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

Norfolk & Norwich Festival event organisers undertake a consultation and planning development process with the local authority, statutory bodies, a professional security company, Spiegeltent Manager (NNF freelance appointment) experienced stewards and other interested parties through a series of round table meetings, conversations and discussions. An operating schedule and risk assessment are developed alongside these meetings and distributed to all agencies and personnel. These documents outline the agreed policies and procedures of all aspects of the event, including the 4 licensing objectives and form the basis of briefings and documentation given to event personnel prior to the event. A professional SIA security company and experienced stewarding staff will be in attendance throughout to ensure the smooth running and management of the events in the Festival Gardens. Security and stewarding staff will report directly to the Site Manager/Health & Safety Officer who will have responsibility for the management of the site delegated to them by NNF Management Team overseen by the Spiegeltent Manager. All systems and procedures will be defined by the NNF Management Team in consultation with an experienced Health & Safety Officer. An event contact number will be visibly displayed around Chapelfield Gardens and checked regularly so that anyone who has concerns can call.

b) The prevention of crime and disorder

Event organisers and the professional SIA security company will work with Police to identify and plan for any potential threats to crime and disorder. The Police will be consulted before and during the event to minimise the impact of crime and disorder.

Stewards and SIA security will be located prominently and be visible throughout the event to manage crowds and report any issues to the Site Manager/Spiegeltent Manager. SIA security will be employed as detailed in the security section of the Operating Schedule.

All Festival staff, Spiegeltent Manager, stewards, Site Manager, along with Security Chief Steward will carry radios at all times when on duty.

Any incident-reporting and authorising of remedial action will be done via Site Manager or Spiegeltent Manager.

c) Public safety

A detailed risk assessment has been undertaken for the event as a whole and individual contractors, artists and performers supply their own individual risk assessments.

Appropriate measures will be taken to ensure the safety of all performers, staff and general public. All site and Spiegeltent means of escape maintained at all times and event equipment and structures will be stewarded or cordoned off to prevent public access where deemed appropriate.

Stewards and security personnel will be located throughout the performance areas and amongst the audience. Qualified first aiders will be in attendance throughout the event and in radio contact with the Site Manager/Spiegeltent Manager.

First aid will be provided in accordance with the risk assessment as defined in The Event Safety Guide. The detailed operating schedule and communication of all the contents to staff is a key part in ensuring the public safety of all.

All catering equipment and outlets will be checked in accordance with local authority and outside catering guidelines.

d) The prevention of public nuisance

The event is oriented towards a mixed audience and public nuisance is not anticipated. Event organisers and the security company will work with the Police to identify and plan for any potential nuisance through round table meetings. Stewards will be briefed as to how to manage potential nuisance.

Noise nuisance will be minimised through controlled use of PA systems, each PA system clearly sited and scheduled. Sound levels will be carefully controlled and kept within limits and times set to the levels as agreed with Norwich City Council, details of which can be found in the accompanying operating schedule.

There is a strict 2300 live sound curfew for the Spiegeltent and Bandstand PA systems.

The layout of the site will be similar to previous years to maximise the use of hard standing surfaces and facilitate ease of level access to the Spiegeltent and to direct and shield any noise disturbance from local residents. The continued use of the technically refined specification of the PA system will ensure that public nuisance is minimised.

The Festival Gardens opening times have been designed to maximise the impact of the event and minimise the potential of noise nuisance.

A dedicated mobile number will be established for site related queries which will be checked regularly throughout the Festival.

Continued from previous page...

Litter and recycling are key parts of the ethos of the Festival's Environmental Sustainability Policy and Action Plan and therefore will be key.

e) The protection of children from harm

All staff and volunteers will be briefed on NNF's Safeguarding Children & Adults at Risk policy, reviewed annually in conjunction with Norfolk's Safeguarding Children Board. Any leaders who are working with children will have relevant qualifications and DBS checks.

At all times when regulated entertainment is provided professional security and stewarding staff will be on the premises and they will be fully briefed on an appropriate lost children policy and procedure.

In line with our Safeguarding Children & Adults at Risk Policy, all staff, volunteers and photographers will understand that we need verbal permission to take a close up video or picture of a child or adults at risk at our events. A child or vulnerable adult will not be photographed/filmed if they do not wish to be or if their parent/carer does not wish them to be. We ensure that we use signage at all performances with a photographer or videographer present to make sure that all children, adults at risk and their responsible adult/carer are aware that their picture/image might be taken and used in the future by the Norfolk & Norwich Festival.

Performances programmed in the late evening slot in the Spiegel tent are advertised as suitable for ages 14 and over only; audience aged 14 to 17 years old must be accompanied by a responsible adult. Where appropriate, age restrictions will be put on specific performances in the Spiegel tent. All performances outside of the Spiegel tent will be suitable for children and families.

The sale of alcohol will be strictly controlled.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
