What you must do to comply with the law

The report may include **Contraventions** - matters which do not comply with the law . You must address all of the contraventions identified; failure to do so could result in legal action being taken against you.

As a guide, contraventions relating to cleaning, temperature control and poor practice, should be dealt with straight away.

Contraventions relating to structural repairs, your food safety management system and staff training, should be completed within the next 2 months.

Health and safety contraventions should be dealt with within 3 months unless otherwise stated.

To assist you the report may also include **Observations** of current practice, useful **Information, Recommendations** of good practice and reminders of **Legal Requirements** .

My inspection was not intended to identify every contravention of the law and only covers those areas, practices and procedures examined at the time of the inspection. If the report fails to mention a particular matter this does not mean you have necessarily complied with the law.

FOOD SAFETY

How we calculate your Food Hygiene Rating:

The food safety section has been divided into the three areas which you are scored against for the hygiene rating: 1. food hygiene and safety procedures, 2. structural requirements and 3. confidence in management/control procedures. Each section begins with a summary of what was observed and the score you have been given. Details of how these scores combine to produce your overall food hygiene rating are shown in the table.

Compliance Area	You Score					
Food Hygiene and Safety	0	5	10	15	20	25
Structure and Cleaning	0	5	10	15	20	25
Confidence in management & control systems	0	5	10	15	20	30
Your Total score	0 - 15	20	25 - 30	35 - 40	45 - 50	> 50
Your Worst score	5	10	10	15	20	-
Your Rating is	5	4	3	2	1	0

Your Food Hygiene Rating is 5 - a very good standard

1. Food Hygiene and Safety

Food hygiene standards are high. You demonstrated a very good standard of compliance with legal requirements. You have safe food handling practices and procedures and all the necessary control measures to prevent cross-contamination are in place. Some minor contraventions require your attention. **(Score 5)**

Contamination risks

Observation I was pleased to see that contamination risks were controlled.

Hand-washing

Observation I was pleased to see handwashing was well managed.

Personal Hygiene

Contravention The following are examples of poor personal hygiene or where it was made difficult for food handlers to maintain sufficiently high standards of personal cleanliness:

- staff were not wearing suitable protective clothing

Legal requirement All persons in food handling areas must wear suitable, clean, and where appropriate protective clothing

2. Structure and Cleaning

The structure facilities and standard of cleaning and maintenance are all of a good standard and only minor repairs and/or improvements are required. Pest control and waste disposal provisions are adequate. The minor contraventions require your attention. **(Score 5)**

Cleaning of Structure

Contravention The following items were dirty and require more frequent and thorough cleaning:

- flooring behind and under equipment

Cleaning of Equipment and Food Contact Surfaces

Contravention The following surfaces and equipment in contact with food were dirty and/or could not be cleaned and require cleaning or discarding:

- wheels to equipment

Cleaning Chemicals / Materials / Equipment and Methods

Observation I was pleased to see that the premises was kept clean and that your cleaning materials, methods and equipment were able to minimise the spread of harmful bacteria between surfaces.

Maintenance

Contravention The following had not been suitably maintained and must be repaired or replaced:

- split seals to fridgge

Facilities and Structural provision

Observation I was pleased to see the premises had been well maintained and that adequate facilities had been provided.

3. Confidence in Management

A food safety management system is in place and you demonstrate a very good standard of compliance with the law. There are some minor contraventions which require your attention. **(Score 5)**

Type of Food Safety Management System Required

Observation Your SFBB/food safety management system was in place and working well. I was confident you had effective control over hazards to food.

Observation You were date labelling perishable foods appropriately and could demonstrate effective control over food spoilage organisms.

Observation You had colour-coded equipment and effective separation between raw and ready-to-eat food at all stages in your operation.

Observation You were monitoring (and recording) the temperatures of your fridges and freezers as well as the temperature of cooked/hot-held food and could demonstrate effective systems for controlling bacterial growth and survival.

Contravention The Safer Food Better Business food safety management system you use does not cover some of the catering you are doing. You need to supplement the pack with additional HACCP based safe methods to cover all the types of catering you are carrying out:

- pickling

Proving Your Arrangements are Working Well

Contravention The Management sections in your Safer food Better Business (SFBB) pack are intended to demonstrate you are in day-to-day control of the hazards to food. The following Management sections were either missing, incomplete or not up-to-date:

- training records / supplier lists, you need to add all staff and yourself to your training lists
- 4 x weekly reviews

Traceability

Observation Your records were such that food could easily be traced back to its supplier.

Training

Observation I was pleased to see that food handlers had been trained to an appropriate level and evidence of their training was made available.
